LaTeX Workshop: Typesetting with L^AT_EX

21st October 2022

Abstract: Ever wondered how mathematicians produce such neat-looking papers and lecture notes? This talk will explain it all, and equip you with the skills needed to produce your own stylish mathematical documents, from everyday lecture notes, to coursework, to dissertations with numerous references.

Speaker: **Joshua Heckroodt**

Location: Gordon Street (25) Maths 500 & Zoom

Time: **4 pm - 5 pm**
